

# Enhancing Cardiac Care at Royal Inland Hospital

"ICCHA means WISH and this landmark Coronary Care Unit is the cherished wish of the many generous donors of the ICCHA WISH Fund at RIH Foundation. The Fund was established in 2007 to support critical and advanced health care at Royal Inland Hospital. Thank you to the donors, volunteers and supporters for making this dream a reality. It is with your generosity, commitment and dedication we will continue to improve cardiac care for our region."

- Al Patel, Founder

*"Have a heart to give...  
For a heart to live."*

# 2020 GOAL: \$300,000

The ICCHA/WISH Fund is proud to announce the establishment of the  
**ICCHA/WISH Coronary Care Unit (CCU)**  
Established September 30, 2019

This CCU is the foundation of our ultimate dream of a Catheterization Lab at Royal Inland Hospital, which will enable coronary interventions and stent placements in patients with heart attacks.

**2020 GOAL:** To raise \$300,000+ to provide a state-of-the-art 3D Echocardiogram diagnostic capability to the CCU. This will enable accurate diagnostics at the patient's bedside and help institute therapies promptly.
